Prelude Options

Begin your wedding video by saying something special about the two of you, your love and your relationship. Consider one of the options offered below as a prelude to the actual coverage of your wedding day. These montages and video shorts can also be produced in advance to be shared with your guests on your wedding day.

PRELUDE MONTAGE - Is comprised of pictures you provide from birth through courtship. Set to the music of your choice and enhanced with graphic text and digital transitions, this photo montage captures two separate lives that come together as one.

\$2/photo, \$10/song.

ROMANCE HISTORY - Your wedding day is the celebrated culmination of your courtship. The Romance History is a documentary of your courtship on video that tells the story of how you met, fell in love and chose to become husband and wife. This uniquely produced tribute to your romance, interlaced with your anecdotes of dates, places and memories, will recreate on tape the events of your courtship to be enjoyed forever. The finished video is a combination of news journal expose' and music video styles that is both poignant and moving.

\$1350

Recap Options

Your full length Wedding Video is produced to be a comprehensive account of your day, rich with detail and full of action. It is intended to be documentary in form and function. The Recap Options listed below are shortened representations of your day creatively prepared to show the highlights of the day in an artistic and entertaining fashion. The Recap of your choice will be the video your Friends and Family will love to see. Beautiful, even breathtaking, you and yours will be swept up by the mood and feeling exposed by the artful expression of the days most outstanding moments.

WEDDING DAY MONTAGE - This Recap focuses on the two of you and portrays you and your wedding day experience in a romantic, music video fashion. A Wedding Day Montage is a great way to end the coverage of your day and conclude your wedding video with a touch of class. Set to one song, under 5 minutes in length.

\$300

SPECIAL MOMENTS MONTAGE - Certain moments of your day will stand out and deserve a second look. The Special Moments Montage is a collection of the highlights and elements that best portray the most outstanding moments of your day. Sharing this beautifully crafted version of your wedding experience is a great way to say Thank You for being a part of our day. Set to two songs, under 10 minutes in length.

\$500

FRIENDS & FAMILY MONTAGE - is really a second version of your day altogether different than your full-length video. This Recap not only shows the two of you and your experience, it also features your wedding party members and your family as well. In addition to musical backgrounds, actual audio of those special words spoken will be included. No one will ever use the 'Fast Forward' button on the VCR when watching this highly stylized, montage of images and sounds. Everyone is a star in this video: Bridal Party members, family & friends. Up to three songs mixed with actual audio. About 20 minutes in length.

\$800

HONEYMOON MONTAGE - Add the memories of your honeymoon to your wedding video. Incorporate photographs from your trip with the music of your choice to create an entertaining account of your first days as newlyweds.

\$2/photo, \$10/song.
